### THIS SUNDAY MORNING

**9:30 AM**

On this Sunday of Labor Day weekend, we will celebrate communion and the return of students and teachers to school. Pastor Vicki's sermon is based on Isaiah 35 which is all about hope for people returning home. All faculty and staff of our schools (nursery – college) are invited to receive our *Blessing of the Masks*. Carol Costell Corbin and Chuck Feiszli are Deacon and Trustee of the month. As we observe Labor Day, we invite you to wear the “uniform” you wear for work. The service will be live-streamed. Find the link either on our Face Book page (Homer Congregational UCC) or on our web site: [www.homercc.com](http://www.homercc.com).

**We Will be Changed: Gifts of the 'Rona for Parents and Caregivers**

Jacob wrestled all night long with an angel and at last wrung forth a blessing. What blessings will we wring for our families from our long wrestling this past year? What do we want to hold on to, and what are we ready to release forever? How can we resist the dominant culture that is already urging us to get back to high-paced consuming and producing, and cling to our own newfound sabbath and purpose? How can we help our children find their own resilience and use it to work for a more just post-pandemic world?

**Molly Boskett** is a pastor and one of the UCC's Still-Speaking devotional writers.

**Ellen O'Donnell** is a psychologist.

Join this moderated conversation with these two friends who, together, co-authored *Bless This Mess: A Modern-Day Guide to Faith and Parenting in a Chaotic Age*. The conversation will close with a time of ritual commitment and blessing for all that lies ahead. **CHILD CARE WILL BE PROVIDED!**

**COMING UP**

Sunday, September 12 **Rally Day**

9:30 Faith Formation

WE'RE BACK! Masked and socially distanced...we are back!

This Sunday we will settle into our classes:

Pre-K & K with Tracy Bertram & Jenelle Pedersen

Grades 1 – 3 with Jan Bertram & Kellie McConnell

Grades 4 – 6 with Alex Faulkenbury & Kathy McKenna

Pre-K through 3<sup>rd</sup> grade will spend the fall term with the Lord's Prayer.

4 – 6 will begin a new experience called Re:form – getting “real” about faith.

**10:30** worship begins

Extra! Extra! Read all about it! Faith Formation is growing, and we need YOUR help! We're currently looking for teachers (serve a one month-long rotation - 2 teachers per class), and/or nursery volunteers (serve at least one week - assist our Childcare Coordinator during worship). Not sure how much time you have to offer? No problem! We can work with your schedule (including our “snowbirds”). Currently, we need to cover the month of October in our Pre-K/Kindergarten class. If you can help (including if you are willing to substitute) contact Alex Faulkenbury ([alexandria.faulkenbury@gmail.com](mailto:alexandria.faulkenbury@gmail.com)) with questions and/or to sign up.

**RALLY DAY CHALLENGE from the MISSION COMMITTEE**

It seems a lifetime ago, but it was just three weeks ago that another earthquake hit Haiti. I remember the devastation of the last one – several church folks from the US were killed in that one. This week our troops departed Afghanistan and hurricanes happened (it seems) every other day and the wildfires are unimaginable. The needs of the world are as overwhelming as is all the disturbing news. Into that mix (that includes Covid), our Mission Committee challenges us to **Be a Blessing!** On **Rally Day**, we will receive a special offering to benefit our “kin” in Haiti. The Mission Committee will match whatever we can gather PLUS add \$1,000.

Saturday, September 11

8:30 AM **Remembering 9/11**

The community will gather around the flagpole and the 9/11 memorial on Main Street to remember the 20<sup>th</sup> anniversary of a date seared into our memories. Chief Pitmann has organized this remembrance, and all are invited to attend.

Sunday, September 19

2:00 **Celebrating the life of Dorothy Hopkins.**

Dorothy died on January 24. Finally, we can gather to offer comfort and to celebrate with Bill, Tara, and Geoffrey. Dorothy's favorite cookie recipes will be used as we prepare for the reception following the service.

### **Quotes from families on registration list:**

- “He is special needs, and I am very grateful for the opportunity to get help with some basic necessities for him.”
- “I’d like to thank you and I am so appreciative of what you’re doing for my children. Thank you. God bless.”
- “I was just diagnosed with cancer please and thank you. Anything helps.”
- “This is a wonderful program for the kids in our community, Thank you!”
- “I recently lost my job due to Covid and have been falling under tough financial strain as this was unexpected. [My son] is growing like crazy and it’s hard to keep up especially with decent sneakers... supportive but “cool” looking sneakers are a lot of money. When I get back on my feet I am definitely going to sponsor a child because I now know what it feels like to be a single mom in need of help. I never thought I would end up this way. Also health issues are preventing me from going back to work for a bit. I feel embarrassed and ashamed to ask for help. It would mean a lot to me.”

### **Quotes from waitlist families after texting them that we can assist:**

- “Thank you so much for the help. Our family really appreciates the assistance.”
- “Thank you very much for all that you do! You have no idea how much this helps.”

### **Quotes day-of:**

- “I picked up [my son’s] stuff this morning, and I just wanted to say thank you, you guys are AWESOME!!”
- Young voice heard as a car pulled up for the bag of food at the UMC:  
“I GOT NEW SNEAKERS!!!”
