HOW CAN I HELP??

During this time of transition, it is especially important for us all to find the ways that we can support this church community of ours! Ways to lend a hand come in lots of shapes and sizes! Keep reading to hear about some of the needs and reach out to the office if you are interested or have questions.

Coffee Hour Hosts- We have just a few Sundays from now until the summer that are need of coffee hour hosts! You can sign up with your family or form a group with others in the congregation. It's okay to keep it small and simple! For one Sunday a month we are going to introduce a new way of signing up for coffee hour. We will have some of the tasks for coffee hour broken down into different roles. You just sign up for whichever way you feel you are best able to contribute and the group forms itself! The roles will be set up, making the coffee, providing snacks, and cleanup. More than one person can sign up for a role. Keep your eye for this new opportunity and different way of helping make coffee hour happen.

Nursery Volunteer- There are just a couple months left until the summer and we need to staff our nursery from now until then! Please consider signing up to spend a Sunday in the nursery with our younger kids so that parents have the opportunity to experience worship. If you have questions, reach out to Kathleen Dentes.

Garden Caretaker- We are incredibly grateful to Bry for all her hard work in the garden over the years! It is now time that we are looking for someone (or a few someones??) who can take on this task. Reach out to the office if this is something that peaks your interest and you would like to know more about!
